

our nation's innovation capacity and creating new high-skill, high-paying jobs at home. As Ranking Member of the House Committee on Science, Space and Technology, I know that to strengthen our nation's technological workforce and infrastructure we must encourage and incentivize STEM education.

Mr. Speaker, as we rise in support of H. Res. 77 to encourage STEM education and American innovation, with the fiscal cliff looming I would be remiss if I did not warn against cutting our critical federal R&D investments. As we struggle with our own deficits, we too can make the strategic choice to continue to invest in our future—both in our human capital and physical infrastructure—or we can make the strategic choice to permanently cede our leadership, to fail our current generation of young people, and to put our economy in a state of stagnation for years to come. It is when our economy is hurting the most that we should be redoubling our efforts to innovate our way into a brighter future of new jobs, new technologies, and untold societal benefits.

The SPEAKER pro tempore. The question is on the motion offered by the gentlewoman from Michigan (Mrs. MILLER) that the House suspend the rules and agree to the resolution, H. Res. 77.

Messrs. SESSIONS, CAMPBELL, HARPER, COLLINS of New York, Mrs. BLACK, Messrs. NADLER and HUFFMAN, Ms. WILSON of Florida, and Messrs. RUSH and WHITFIELD changed their vote from "yea" to "nay."

So the motion to adjourn was rejected.

The result of the vote was announced as above recorded.

Stated against:

Mr. REICHERT. Mr. Speaker, on rollcall no. 48 I mistakenly voted "yea." I meant to vote "nay."

ANNOUNCEMENT BY THE SPEAKER

The SPEAKER. The Chair wishes to reiterate the announcement of January 23, 2012, concerning floor practice.

Members should periodically rededicate themselves to the core principles of proper parliamentary practice that are so essential to maintaining order and deliberacy in the House. The Chair

believes that a few of these principles bear emphasis today.

Members should refrain from trafficking the well when another—including the presiding officer—is addressing the House.

Members should wear appropriate business attire during all sittings of the House, however brief their appearance on the floor might be.

Members who wish to speak on the floor should respectfully seek and obtain recognition from the presiding officer, taking the time to do so in proper form, including 1-minutes. The proper form would be to ask unanimous consent to address the House for 1 minute.

Members should take care to yield and reclaim time in an orderly fashion, bearing in mind that the Official Reporters of Debate cannot properly transcribe two Members simultaneously.

Members should address their remarks in debate to the presiding officer and not to others in the second person or to some perceived viewing audience.

Members should not embellish the offering of a motion, the entry of a request, the making of a point of order, or the entry of an appeal with any statement of motive or other commentary, and should be aware that such utterances could render the motion, request, point of order, or appeal untimely.

Members should attempt to come to the floor to vote within the 15-minute period as prescribed by the first ringing of the bells. The Members should know that if the Member is in the aisle, is in the Chamber, they are entitled to vote. But as a point of courtesy to each of your colleagues, trying to be on time within the allotted time would help with the maintenance of the institution.

Following these basic standards of practice will foster an atmosphere of mutual and institutional respect. It will ensure against personal confrontation, among individual Members or between Members and the presiding officer. It will facilitate Members' comprehension of, and participation in, the business of the House. It will enable accurate transcriptions of proceedings. In sum, it will ensure the comity that elevates spirited deliberations above mere argument.

The Chair appreciates the attention of the Members to these matters.

ACADEMIC COMPETITION RESOLUTION OF 2013

The SPEAKER. Without objection, 5-minute voting will continue.

There was no objection.

The SPEAKER. The unfinished business is the vote on the motion to suspend the rules and agree to the resolution (H. Res. 77) establishing an academic competition in the fields of science, technology, engineering, and mathematics among students in Congressional districts, on which the yeas and nays were ordered.

The Clerk read the title of the resolution.

The SPEAKER. The question is on the motion offered by the gentlewoman from Michigan (Mrs. MILLER) that the House suspend the rules and agree to the resolution.

This will be a 5-minute vote.

The vote was taken by electronic device, and there were—yeas 411, nays 3, not voting 17, as follows:
